(***) Additional services will be available soon for Develon Premium customers.

✓=included, covered ✗=not included

Develon offers multiple protection plans for customers serviced by official Develon Dealers. The different programs are reasonably priced to fit every budget and will add value to the machine, its price is an investment, not a cost. You can purchase Develon Protection within 180 days after the machine delivery.

Contact your Develon dealer for more details.
